This company petition is transferred from Allahabad to this High Court. After receipt of the record, the case was listed and notices were issued to the parties. On behalf of PICUP, learned counsels have been appearing, but on behalf of the petitioner none turned up. The service is reported to be sufficient on the petitioner by refusal.

Thereafter, the case was listed five times. None appeared on behalf of the petitioner and respondent company. Only PICUP was represented through its counsel. Today also none appeared for the petitioner company. Therefore, the petition is dismissed for non-prosecution.
