Hon'ble Irshad Hussain, J.

Heard learned counsel for the applicant-accused and the learned Government Advocate.

According to the prosecution version, both the accused-applicants are named as assailants of the victim Smt. Sarojini. Smt. Sarojini got married with applicant-accused Sunder Lal only about eight months before she met her tragic death. The victim was found hanging, but the postmortem report clearly indicate that there were antemortem injuries on her person including the injury on the neck. This belie the claim of the applicant-accused that she committed suicide. Considering the totality of circumstances of the case, I do not find it a fit case for bail.

Rejected.
