This petition has been filed, *inter alia*, challenging Sections 13, 14 and 15 of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002. In view of the Supreme Court decision, the controversy has now been settled in the case of Mardia Chemicals Ltd Etc. Etc. v. UOI & Ors etc. etc. on 08.04.2004 in Transfer Case (Civil) Nos. 92-95/2002. Following the aforesaid decision of the Supreme Court, we have disposed of a number of petitions being writ petition No.5555/2004 and other petitions on 16.04.2004. We had earlier granted protection in respect of the residential property. Therefore, the interim relief granted earlier, shall continue for a period of two weeks only provided that undertakings as directed have already been filed by the respective petitioners in the petitions.

These petitions as well as the CM stand disposed of.
