

Delay Condonation Application
No. 3781 of 2008

In

Review Applcation No. 706 of 2008

In

A.O. No. 827 of 2006

Heard Sri Lalit Sharma,
holding the brief of Sri Amit Bhatt,
counsel for the appellant/review
applicant and Sri T.A. Khan,
counsel for the respondent no.2.

Perused the grounds shown
for delay in filing the review
application. I find sufficient
ground so as to condone the delay.
Delay is condoned.

An objection has been filed
by the counsel for the respondent,
but I find no force in that
therefore, the same stands
dismissed.

Present review application
has been filed on the ground that
the award of compensation has
been awarded on lower side,
though it could have been
enhanced.

Counsel for the review
applicant has referred ***New India
Assurance Company Vs.
Satender***, wherein the on the
death of a child, the claimants
have been awarded a sum of Rs.
1,80,000/- towards compensation.

I find force in the
submission of the learned counsel
for the appellant/review applicant.
However, the award dated
31.10.2007 is modified to this
extent that the claimants
appellants shall be entitled for a
sum of Rs. 40,000/- more
inclusive interest.

With the aforesaid
modification in the award dated
31.10.2007, the review application
is disposed of. No order as to
costs.
