2. 18.9.2009.

Heard counsel for the petitioner.

This Court does not understand as to why the petitioner has been so moved by the fact that many a villagers, otherwise eligible in that area, have not been made a voter for the oncoming election of PACS to be held on 19<sup>th</sup> October, 2009, moreso, because the name of the petitioner already figures in the voters list. If the other villagers who are otherwise eligible wants to become a voter of PACS in question, they have the freedom to approach the District Co-operative Officer-cum-District Election Officer, respondent no.5, individually and he will be obliged to consider their case for inclusion in voters list since the process of election would begun with filing of nomination and a general direction has already

been issued by the State Election Authority for consideration of such grievances.

This writ application is disposed of with above liberty.
