

MC 2297/2010

BEFORE

HON'BLE MR JUSTICE B.P.KATAKEY

Heard learned counsel for the parties.

The applicant, who is the writ petitioner in WP(C) No.4338/2007, by the present application is praying for out-of-turn hearing of the writ petition. The writ petition has been filed alleging non-payment of the amount, which according to the petitioner, is due and payable to him for the contract works done pursuant to the orders passed by the Missing Autonomous Council.

Keeping in view the issue involved in the writ petition, I am of the view that it is not a fit case for out-of-turn hearing of WP(C) No.4338/ 2007, and hence this application is rejected.
