

WP(C) 230/2010

BEFORE

HON'BLE MR. JUSTICE HRISHIKESH ROY

Heard Mr. A Thakur, learned counsel appearing for the petitioner. Also heard Mr.

H Rahman, learned Govt. Advocate who produces the status report in connection with investigation of the Sonapur P. S. Case No.140/09 registered on the basis of the FIR filed by the petitioner. From the said status report given by the Officer-in-charge of Sonapur P. S. conveyed through the communication of the Sr. Superintendent of Police, Guwahati (City) on 2.1.2010, it appears that the police is investigating the case. However, Mr. Thakur, learned counsel for the petitioner submits that the offenders are yet to be arrested and the pace of investigation is slow.

Having regard to the above, I am of the opinion that this case can be disposed of by directing a proper investigation of the Sonapur P. S. Case No.140/09. To ensure that the investigation proceeds without any hindrance, the Sr. Superintendent of Police, Guwahati (City) is directed to take appropriate measures to ensure competent supervision of the investigation of the case. It is ordered accordingly.

A copy of the communication dated 2.1.2010 of the Superintendent of Police, Guwahati (City) along with status report be kept in the case record.

Mr. H Rahman, learned Govt. Advocate will be furnished with a copy of this Court's order for necessary communication to the concerned police officers.
