

Hon'ble Tarun Agarwala, J.

Mr. Bhaw Singh Rawat, petitioner in person.

Mr. D.S. Patni, Advocate for the respondents.

The petitioner has appeared in person and has prayed for a writ of mandamus commanding the respondents to pay Rs. 11 lacs crore alongwith Rs.10,000/- crore towards harassment caused to the petitioner for non consideration of his application for grant of working capital. From the record the facts which can be culled out is that the petitioner had applied for working capital in the year 1989 which according to the petitioner has not as yet been decided and, consequently, has prayed for payment of the aforesaid amount for the harassment caused by the respondents. In my opinion, no cogent ground is made out nor can such matters be considered at this belated stage.

The writ petition is dismissed.
