For the Petitioner : Mrs. Ritu Kumar, Advocate

**Order No. 03**

**Dated, 30<sup>th</sup> November, 2012**

The petitioner's contention is that some individuals have encroached the forest land and the respondents are not taking action.

Respondents submitted reply and stated that they have already initiated proceeding for eviction of the encroachers.

Learned counsel for the petitioner submits that in fact there is no serious effort and mere start of the proceeding is not a full answer to the problem.

Looking to the total facts of the case, the respondents are directed to see that there should not be any encroachment and the steps, which they have taken, they may pursue it seriously.

With these observations, this petition is disposed of.
