

**Writ Petition No. 18160 / 2012**

**31.10.2012**

Shri Dinesh Upadhyay, learned counsel for the petitioner.

Shri Rajesh Tiwari, learned Government Advocate for the State.

Petitioner is working as Panchayat Secretary and has been transferred from one Panchayat to another in the same district. Challenge to the transfer order is made merely on the ground of personal inconvenience of petitioner by contending that petitioner is a heart patient and Minister of the Panchayat Department has recommended for cancellation of his transfer.

The grounds raised by the petitioner are not such on the basis of which judicial review of an administrative order of transfer can be made by this Court.

Accordingly, granting liberty to the petitioner to take recourse of departmental remedies available the petition is disposed of.
