ORDER:

-
The petitioner states that she has dug a bore well in her land in Survey No.109 of Thotapally Village, Kalwarkurthy Mandal, Mahabubnagar District and has raised paddy crop. Her grievance is that the Tahsildar of the Mandal, respondent No.2 herein, seized the bore well by removing the starter and electricity connection wire on 22.08.2012. He challenges the action of the respondents.

The learned Government Pleader for Revenue was given time to obtain instruction about the allegations made by the petitioner. Today, it is reported that respondent No.2 passed an order, dated 30.08.2012, directing seizure of the bore well on the ground that it is dug overnight, at a distance of 15 meters from the existing source of drinking water, for two villages.

Heard the learned counsel for the petitioner and the learned Government Pleader for Revenue.

The petitioner was not aware that the respondent No.2 passed an order on 30.08.2012. In case she feels aggrieved by the same, she can pursue the remedies in accordance with law. If on the other hand, any corrective measures are indicated therein, she can comply with the same.

Hence, the writ petition is disposed of leaving it open to the petitioner to pursue her remedies vis-à-vis the order, dated 30.08.2012. There shall be no order as to costs.

The miscellaneous petition filed in this writ petition also shall stand disposed of.
