**ORDER**

The petitioner could not satisfy this Court as to how the contempt petition has been made in reference to judgment dated 14<sup>th</sup> December, 2009 passed in CWP No. 4631 of 2009. During the course of the arguments, it has been brought to our notice that the representation of the petitioner has been considered. However, he is not satisfied with the way the case of the petitioner has been considered. In view of these facts and circumstances, no contempt is made out. Accordingly, the contempt petition is dismissed.
