ORDER

This review petition is filed seeking a review of the judgment in W.P.(C). No. 20287/2012. The grounds raised does not warrant consideration in a review. This Court had gone into the matter in detail and directed the Labour Court to reconsider the matter. According to the petitioner the matter was sent to the Labour Court on several occasions and therefore a decision is required to be taken by this Court. The order of remand had been made based on the factual situation arising in the matter especially in regard to the findings made by the Labour Court with reference to the subject matter in the issue.

Hence, there being no ground for review, the Review Petition is dismissed.
