

**28.08.2014**

None for the applicant even in second round.

Earlier also on 25/07/14 nobody appeared on behalf of applicant and the case was adjourned with a direction that if on the next date of hearing none appears on behalf of the applicant to pursue this criminal revision, the same shall be dismissed for want of prosecution. Even then, today also neither applicant nor his counsel appeared. It appears that the applicant has lost his interest in prosecuting this revision.

In such premises the criminal revision is hereby dismissed for want of prosecution.
