

**Hon'ble Servesh Kumar Gupta, J.**

Mr. Karan Anand, Advocate, for the petitioner.

Learned counsel has put forth his submissions that though the application under Section 24 of Hindu Marriage Act is pending before the Judge, Family Court for disposal, yet the Court concerned should be directed to decide the petition for divorce moved u/s 13 of the Act very expeditiously.

Having heard the learned counsel, I direct that the Judge, Family Court will decide the application under Section 24 of the said Act first and he will also ensure the compliance of the order passed on the application of respondent-Smt. Reena Rai u/s 24 and then, he will proceed with the divorce petition very expeditiously. The Court below will conclude the same without granting any unnecessary adjournment to either party.

Petition stands disposed of in the above terms.

Interim relief application no.13644 of 2014 also stands disposed of.
