05/30.04.2015 No one appears on behalf of the petitioner.

A report has been received from the In-charge District Judge-III, Deoghar stating therein that the pending appeal has now been transferred to the Court of District Judge-V. The next date of hearing is 12.3.2015 and it is hoped that final argument would be done. The reasons for the delay has been explained in the said letter as the Court of District Judge-III was vacant for sometime and certain petitions were also preferred by the parties which could be disposed of after giving due opportunity to the other side.

In such circumstance, it appears that steps have been taken for disposal of the appeal in question at the earliest.

Accordingly, the contempt petition is disposed of and proceedings are dropped, however with an observation that the appeal, if not already disposed of, should be disposed of without any further delay.
