CAV Order

23/12/2016

1. In this batch of petitions, Assistant Teachers, who are posted and working in various schools in the jurisdiction of Raigarh Jila Panchayat, Kanker Jila Panchayat, Dhamtari and Ambikapur Jila Panchayat, have assailed legality and validity of transfers made on large scale by the Chief Executive Officer of Jila Panchayat Raigarh, Jila Panchayat, Kanker and Jila Panchayat, Ambikapur as also by the Collector of Dhamtari. By these transfer orders, the petitioners,

Assistant Teachers, in these petitions who were working in schools within the jurisdiction of one Jila Panchayat have been transferred to schools within the jurisdiction of another Jila Panchayat.

2. Learned counsel appearing for the petitioners in these petitions firstly raised a common ground to challenge the transfer order that the present statutory scheme of Chhattisgarh Panchayat Raj Adhiniyam, 1993 (hereinafter referred to as "*the Act of 1993*"), read along with the Chhattisgarh Panchayat Service (Recruitment and General Conditions of Services) Rules, 1999 (hereinafter referred to as "*the Rules of 1999*") and Chhattisgarh Teacher (Panchayat) Cadre (Recruitment and Conditions of Service) Rules, 2012 (hereinafter referred to as "*the Rules of 2012*") do not empower any of the authority who has passed the impugned order, to transfer Assistant Teachers outside the jurisdiction of their parent Jila Panchayat. In addition to raising a common ground of challenge to all the transfer orders as above, it has been argued that for the purpose of identifying surplus teachers of one school and to transfer them to other school where there is lack of teachers, old and stale data of 2014 has been made a basis and no latest data prior to date of transfers were collected. Further submission is that the transfer orders have been made without considering the Assistant Teachers for promotion to the next higher post of Teachers under the Rules of 2012 against the vacancy of Teachers available within the jurisdiction of the Jila Panchayat where these petitioners are posted. It has also been submitted that in many cases, recipient Jila Panchayat where the services have been transferred are not prepared to accept teachers of Arts subject sent from other Jila Panchayat by referring to letter dated 16.8.2016 filed as Annexure AD/4 in WPS No. 1273 of 2016. In some cases, argument has been advanced that where appointments have been made on compassionate basis, those Assistant Teachers could not be subjected to transfer. Further submission is that as the object and purpose of rationalization is to rationalize the teachers on the basis of Pupil-Teacher ratio only at the primary level, therefore, for this additional reason, transfer could not be made outside the respective jurisdiction of the Jila Panchayat in which the petitioners are posted. In some of the cases, transfer order has been challenged on the ground that those teachers who are office bearers are entitled to be exemption from transfer on the ground that they are Office Bearers. In many cases, transfer order is also challenged on the ground that while effecting transfer, the policy of keeping husband and wife

together at the same or nearby stations has not been kept in view and the effect of transfer is that now the husband and wife are going to be posted in school under the jurisdiction of different Jila Panchayats. It has also been argued that as per provisions contained in Scheduled-II of the Rules of 2012, the appointing authority is General Administration Committee of Jila Panchayat, therefore, the transfer could be effected only on the basis of resolution passed by the General Administration Committee of Jila Panchayat and the Chief Executive Officer or the Collector had no jurisdiction to transfer Assistant Teachers from one place to other place. In many cases, argument has been advanced that while effecting transfers, rationalization policy and the parameters for identifying surplus teachers have not been followed. It has also been argued that under the policy dated 27.5.2014, entire exercise of transfer was required to be completed by the end of June, 2014, therefore, the exercise undertaken by various Jila Panchayats or the Collector to effect transfer on the basis of policy dated 27.5.2014 is rendered illegal as those transfers have been effected after June, 2014. It has also been argued that women and disabled teachers were entitled to exemption, yet they have been subjected to transfer. It has also been contended that the executive instructions cannot override the statutory provisions contained in Rule 27 of the Rules of 1999 and in the absence of there being any power available with the authority to transfer outside the jurisdiction of Jila Panchayat, the exercise of transfer is bad in Law. In some of the cases where the transfer orders were issued prior to 11.12.2015, it has been argued that even prior to amendment in Rule 27 of the Rules of 1999, it is only those teachers who are working with Jila Panchayat, which does not include Assistant Teachers appointed by the Janpad Panchayat level, who could be transferred from jurisdiction of one Jila Panchayat to other Jila Panchayat by the Director of Jila Panchayat and in any case, the power only rested with the Director, Panchayat at the State level. Therefore, it is contended that the Chief Executive Officer of Jila Panchayat or the Collector had no jurisdiction to transfer the Assistant Teachers from jurisdiction of one Jila Panchayat to other Jila Panchayat.

3. On the other hand, learned counsel for the State and counsel for the Jila Panchayat Raigarh, Dhamtari and Ambikapur have submitted that the transfers have been effected to comply with the statutory norms relating to Pupil-Teacher Ratio as prescribed under the Right of Children to Free and Compulsory

Education Act, 2009 (hereinafter referred to as "*RTE Act*") and the Right of Children to Free and Compulsory Education Rules, 2010 (hereinafter referred to as "*RTE Rules*"). The rationalization policy was laid down by the State Government with the aim and object of providing teachers in all the schools in a manner that the Pupil-Teacher Ratio is achieved as per the statutory requirements of RTE Act and RTE Rules. Learned counsel for the State and counsel for the aforesaid Jila Panchayats argued that the provision contained in Section 8, 19 and 25 of the RTE Act made it imperative to undertake the exercise of posting teachers in various schools in different Jila Panchayat. Therefore, the exercise is only intended to ensure effective implementation of the provision of RTE Act and RTE Rules. Learned counsel for the State argued that directions were issued by the Supreme Court while deciding PIL in the case of **Environmental and Consumer Protection Foundation Vs. Delhi Administration and Ors.** (2012) 10 SCC 197 and in order to fulfill those directives, it became necessary to achieve Pupil-Teacher ratio as provided in Rule 22 of the RTE Rules. According to learned State counsel, Section 35 of the RTE Act empowers the Government to issue directions to local authority to implement the provision of the RTE Act. The Government from time to time, issued various policies of rationalization of posting of teachers with an object to ensure that the teachers are so posted in the schools that the Pupil-Teacher ratio in all the schools is achieved. Reliance has been placed on the decision of the Supreme Court in the case of **Joint Action Committee of Air Line Pilots' Association of India (ALPAI) and Ors. Vs. Director General of Civil Aviation and Ors.** (2011) 5 SCC 435. Learned counsel for the respondents further argued that in so far as transfers which have been effected prior to amendment in Rule 27 of the Rules of 1999 i.e. prior to 11.12.2015, the Assistant Teachers could be transferred from jurisdiction of one Jila Panchayat to other Jila Panchayat and under the policy directives of the State Govt., the power was conferred on respective Chief Executive Officers of Jila Panchayat and the Collector.

4. While in batch of petitions, transfer orders have been challenged on more than one grounds, one common ground has been taken in all the petitions is that the transfer orders have been passed transferring the Assistant Teachers from the jurisdiction of one Jila Panchayat to other Jila Panchayat which is not permissible under the scheme of the Panchayat Raj Adhiniyam and Rules framed thereunder.

In order to appreciate the submissions made by learned counsel for the respective parties on the issue of competence and jurisdiction of the Chief Executive Officer of respective Jila Panchayat and Collector to transfer Assistant Teachers from jurisdiction of one Jila Panchayat to jurisdiction of another Jila Panchayat, it would be relevant to examine the statutory scheme of the Act of 1993 and various Rules framed thereunder governing terms and conditions of service of Assistant Teachers.

5. There is no dispute with regard to the fact that the petitioners are all Assistant Teachers who have been appointed in various schools run under the control of Janpad Panchayats and ultimate control of Jila Panchayat. All these Assistant Teachers have been appointed by Panchayat Authority in exercise of powers conferred under the Rules of 2012. The aforesaid Rules provide for constitution of service, classification and scale of pay, method of recruitment, compassionate appointment, probation, promotion, discipline & control, termination of service of teachers in three different categories known as Assistant Teacher (Panchayat), Teacher (Panchayat) and Lecturer (Panchayat) as specified in Schedule-I appended to the Rules of 2012. The petitioners who are Assistant Teachers are borne in the cadre of Assistant Teachers in the services of Panchayat constituted under Rule 4 of the Rules of 2012. Rule 12 of the Rules of 2012 provides for general conditions of service which is relevant and extracted hereinbelow:

“12. General Conditions of Service-Conditions of service other than mentioned above shall be the same as applicable to other employees of Jila Panchayat or Janpad Panchayat, as the case may be.”

6. From the aforesaid provision, it is clear that conditions of service other than those mentioned in Rules of 2012 shall be the same as applicable to other employees of Jila Panchayat or Janpad Panchayat as the case may be.
7. In exercise of powers conferred under Section 70 read with Section 95 of the Act of 1993, Rules having statutory force, have been framed, governing terms and conditions of Panchayat employees known as Chhattisgarh Panchayat Service (Recruitment and General Conditions of Services) Rules, 1999. These are the Rules of general applications which govern the terms and conditions of services of

Assistant Teachers by virtue of provision contained in Rule 12 of the Rules of 2012 referred to hereinabove. Therefore, where there are no specific Rules governing terms and conditions of service of Assistant Teachers in the Rules of 2012, the general provisions contained in the Rules of 1999 would be applicable to the Assistant Teachers. Rule 27 of the Rules of 1999 importantly provides for appointment of Panchayat employees and the same is reproduced herein-below for ready reference:

“27. Appointment of Panchayat employ to and his Panchayat:- Notwithstanding anything contained in these rules, the appointing authority on application made by any employee of Panchayat Service of other Panchayat, may appoint such employee to a same or equivalent post in the Panchayat service on such terms and conditions as may be mutually agreed upon between the two Panchayats, and subject to the following conditions, namely:-

(i) Such appointment shall not be made to post to be filled by promotion;

(ii) The person so appointed shall receive the junior most rank, for the purpose of seniority, in the cadre of the post to which he is appointed, as it stands on the date of such appointment.”

8. Rule 27 of the Rules of 1999 inter alia provides that the appointing authority on application made by any employee of Panchayat service of other Panchayat, may appoint such employee to a same or equivalent post in the Panchayat service on such terms and conditions as may be mutually agreed upon between the two Panchayats subject to the conditions enumerated in clauses (i) and (ii) thereof.

According to aforesaid Rule, an Assistant Teacher appointed within the jurisdiction of one Panchayat may be transferred to another Panchayat service only on application made by the Assistant Teacher on terms and conditions which may be mutually agreed upon between two Panchayats.

9. Vide Notification dated 30th November, 2012, published in Chhattisgarh Rajpatra

dated 30th November, 2012, Rule 27 of the Rules of 1999 was amended by the State Govt. in exercise of statutory powers adding two proviso providing for transfer of Panchayat employees from one Janpad Panchayat to other Janpad Panchayat and from one Jila Panchayat to other Jila Panchayat. The two proviso which were added by way of amendments were as below :

“Provided that in the public interest the Chief Executive Officer of concerned Jila Panchayat may transfer any employee from one Janpad Panchayat to another Janpad Panchayat within the district and in case of such transfer, the seniority of the transferred employee shall not be affected.

Provided further that in the public interest the Commissioner cum Director, Panchayat may transfer any employee of Panchayat services, working with the Jila Panchayat, from one Jila Panchayat to another Jila Panchayat in the State and in case of such transfer, the seniority of the transferred employee shall not be affected”

10. The aforesaid two proviso were, however, omitted by a subsequent amendment in the Rules vide Notification dated 1st December, 2015, published in Chhattisgarh Rajpatra dated 11th December, 2015. The Notification being extremely relevant for decision of this case is reproduced as below:

“ Naya Raipur, the 1st December, 2015”

No.P-1141/PGVV/22/2015/786- In exercise of the powers conferred by sub-section (2) of Section 70 of the Chhattisgarh Panchayat Raj Adhiniyam, 1993 (No.1 of 1994), the State Government, hereby, makes the following further amendment in the Chhattisgarh Panchayat Service (Recruitment and General Conditions of Services) Rules, 1999, the same having been previously published as required by sub-section (3) of Section 95 of the said Act, namely :-

Amendment

In the said rules-

1. In clause (ii) of Rule 27, for the colon “;”, after the word “appointment”, the full stop “.” shall be substituted.

2. First and second proviso of clause (ii) of Rule 27 shall be omitted.

By order and in the name of the Governor of Chhattisgarh

S.L. Nayak, Joint Secretary”

Therefore, with effect from 11th December, 2015, the first and second proviso of clause (ii) of Rule 27 of the Rules of 2012 were omitted.

It would thus be clear from the above legislative history that initially when the Rules of 1999 were framed, Rule 27 thereof contemplated transfer of Panchayat employee from one Panchayat to other Panchayat only on application made by the employee and later on, by addition of two proviso, the Rule permitted transfer of Panchayat employees from one Janpad Panchayat to another Janpad Panchayat in the same district and transfer of Panchayat employee from one Jila Panchayat to another Jila Panchayat in the State. The aforesaid two proviso having been omitted subsequently, the earlier legal position under the Rule 27 of the Rules of 1999 was restored meaning thereby that a Panchayat employee could be transferred from one Panchayat to other Panchayat only on an application made by the employee and not otherwise. The omission of first and second proviso of clause (ii) of Rule 27 of the Rules of 1999 clearly manifests the intention of the Rule Making Authority that involuntarily transfer of the Panchayat employees which included Assistant Teachers as well, would not be permissible from one Panchayat to the other Panchayat except where the employee himself applies for his transfer to other Panchayat, in which case, the two Panchayats may enter into mutual agreement with regard to terms and conditions of such transfer.

11. Even when the two proviso existed in the statute book, until omitted vide Notification dated 1st December, 2015 published on 11th December, 2015, an employee of one Janpad Panchayat could be transferred to other Janpad Panchayat within the district in public interest, by the Chief Executive Officer of concerned Jila Panchayat and transfer from jurisdiction of one Jila Panchayat to other Jila Panchayat in the State could be made in public interest by the Commissioner cum Director Panchayat. Therefore, even when the aforesaid two proviso were in force, transfer from one Jila Panchayat to another Jila Panchayat could be made only by the Commissioner cum Director Panchayat, who is the

controlling authority of Panchayat Institution in the State.

12. Irresistible conclusion, therefore, is that ever-since promulgation of the Rules of 1999, before and after amendment made, as referred to herein-above, power was never conferred on the Chief Executive Officer of the Jila Panchayat or the Collector of a district within which a particular Jila Panchayat functions, to transfer a Panchayat employee including Assistant Teacher from the jurisdiction of one Jila Panchayat to another Jila Panchayat in the State. Even under the Rules of 2012, there is no provision which confers power on the Chief Executive Officer of Jila Panchayat or the Collector of the district to transfer an Assistant Teacher from the jurisdiction of one Jila Panchayat to another Jila Panchayat in the State.
13. Once the terms and conditions of Assistant Teacher are governed by the provision contained in the Act of 1993, Rules of 1999 and Rules of 2012, it was not permissible to transfer an Assistant Teacher from the jurisdiction of one Jila Panchayat to another Jila Panchayat except in the manner provided under the Act and Rules.
14. During the course of arguments, learned counsel for the State and counsel for various Jila Panchayats sought to justify the action on the basis of various circulars issued by the State from time to time which have been filed in **WPS No. 1273 of 2016** as Annexure D-1 (circular dated 27.5.2014), Annexure D-2 (circular dated 31.5.2014), Annexure D-3 (circular dated 2.7.2014), Annexure D-4 (circular dated 11.7.2014), Annexure D-5 (circular dated 1.9.2014), Annexure D-6 (circular dated 21.7.2015, Annexure D-7 (order dated 9.9.2015) and Annexure D-8 (order dated 15.10.2015). All these circulars and orders are merely executive and administrative in nature. The circulars/orders have been issued by the School Education Department and by Panchayat and Rural Development Department. These circulars/orders provide for rationalization of teachers in various schools run by Panchayat and School Education Department. In the absence of there being any statutory backing, these circulars/orders would not confer any authority or power on the Chief Executive Officer of Jila Panchayat or the Collector of the district to transfer the Assistant Teachers from the jurisdiction of one Jila Panchayat to another Jila Panchayat. In fact, these circulars and orders mainly provide for the scheme of rationalization intended to provide teachers in the schools according to the need of teachers.

Learned counsel for the respondents also sought to justify the action on the basis that as the provision contained in the RTE Act and RTE Rules mandated maintenance of Pupil -Teacher ratio prescribed under the Law, it had become necessary to transfer Assistant Teachers from the schools of one Janpad Panchayat to other Janpad Panchayat even from one Jila Panchayat to other Jila Panchayat. This contention is liable to be rejected because to fulfill the object of maintaining Pupil-Teacher ratio under the provisions of RTE Act and RTE Rules, the Assistant Teachers could not be transferred from one Jila Panchayat to other Jila Panchayat contrary to the provisions contained in the statutory Rules governing terms and conditions of the Assistant Teachers. Once the statutory Rules governing the terms and conditions did not permit involuntary transfer of Assistant Teachers under any circumstance, from one Panchayat to another Panchayat, except on application made by the concerned Assistant Teacher, as provided in Rule 27 of the Rules of 1999, the action could not be justified in Law. It is well settled legal proposition that lawful ends can be achieved only by following lawful means.

15. In order to comply with the statutory requirement of maintaining Pupil-Teacher ratio as mandated under RTE Act and RTE Rules, the respondents were obliged under the law to adopt only lawful means to effect transfer of teachers. For reasons best known to the respondent State, the two proviso added by way of amendment in Rule 27 of the Rules of 1999 were omitted vide Notification dated 1.12.2015 published on 11th December, 2015. This Court fails to understand, if at all, the State Government intended to effect transfer of Assistant Teachers from jurisdiction of one Jila Panchayat to another Jila Panchayat to maintain Pupil-Teacher ratio required under the RTE Act and RTE Rules, why the two proviso under Rule 27 of the Act of 1999, one of which permitted transfer from one Jila Panchayat to another Jila Panchayat, was omitted.
16. Be that as it may, in the absence of there being any statutory power conferred on the Chief Executive Officer of Jila Panchayat or the Collector of the district to transfer an Assistant Teacher from jurisdiction of one Jila Panchayat to other Jila Panchayat, no amount of justification for such transfer would validate the action and the order of transfer which is clearly without jurisdiction and authority of Law.
17. There are many cases before this Court where transfer were effected prior to

publication of Notification dated 1.12.2015. In that regard it has to be noted that under the second proviso of clause (ii) of Rule 27, as it existed prior to its omission, power of transfer of Assistant Teacher from one Jila Panchayat to another Jila Panchayat rested only with the Commissioner cum Director Panchayat and not with the Chief Executive Officer of Jila Panchayat or the Collector of the district. Therefore, all the transfer orders in the present cases which have been issued prior to or after 11.12.2015 by the Chief Executive Officer of various Jila Panchayats and Collector of the District are illegal and without the authority of Law. Under the existing statutory scheme as engrafted under Rule 27 of the Rules of 1999, as it stood on the date of issuing impugned transfer order, an Assistant Teacher could be transferred from one Jila Panchayat to other Jila Panchayat only on the application made by the Assistant Teacher and not otherwise. Rule only permits voluntarily transfer from one Jila Panchayat to another Jila Panchayat and Rule nowhere permits involuntarily transfer of Assistant Teacher from one Jila Panchayat to other Jila Panchayat.

18. The administrative instructions issued from time to time referred to herein-above as Annexure D-1 to Annexure D-8, being in violation of statutory Rules to the extent it directed the Collector and the Chief Executive Officer of Jila Panchayat to transfer Assistant Teacher from one Jila Panchayat to another Jila Panchayat, would not provide valid justification for transfer. These administrative instructions could not override the statutory Rules.

19. In the case of **State of Orissa and Ors. Vs. Prasana Kumar Sahoo** (AIR 2007 SC 2588), it was held as under:

“12. Even a policy decision taken by the State in exercise of its jurisdiction under Article 162 of the Constitution of India would be subservient to the recruitment rules framed by the State either in terms of a legislative Act or the proviso appended to Article 309 of the Constitution of India. A purported policy decision issued by way of an executive instruction cannot override the statute or statutory rules far less the constitutional provisions.”

In the case of **Punjab Water Supply & Sewerage Board Vs. Ranjodh Singh** (2007) 2 SCC 491, it was held thus:

“10. A statutory board is an autonomous body. Nothing has been brought to our notice to show that under the statute any direction issued by the State shall be binding on it. The State may have some control with regard to recruitment of employees of local authorities, but such control must be exercised by the State strictly in terms of the provisions of the Act. The statutory bodies are bound to apply the rules of recruitment laid down under the statutory rules. They being “State” within the meaning of Article 12 of the Constitution of India, are bound to implement the constitutional scheme of equality. Neither can the statutory bodies refuse to fulfill such constitutional duty, nor can the State issue any direction contrary to or inconsistent with the constitutional principles adumbrated under Articles 14 and 16 of the Constitution of India. The purported directions of the State were otherwise bad in law insofar as thereby the statutory rules were sought to be superseded. A circular letter furthermore is not a statutory instrument. It was not even issued by the State in exercise of the power under Article 162 of the Constitution of India. Even a scheme issued under Article 162 of the Constitution of India, would not prevail over statutory rules.”

In yet another decision in the case of **Union of India Vs. Central Electrical & Mechanical Engg. Service (Ce & Mes) Group 'A' (direct Recruits) Assn. CPWD** (2008) 1 SC 354, it was held as under:

“9. The aforementioned office orders dated 1-8-2002 and 11-3-2003 are not statutory in character. They even ex facie do not satisfy the requirements of Arti-

cle 162 of the Constitution of India. Indisputably, the disciplines of Civil, Electrical and Mechanical in the Central Public Works Department are different and distinct. The said office orders provided that disciplines referred to therein including Civil and Electrical were to work under the control of the zonal head being either a Chief Engineer (Civil) or Chief Engineer (Electrical). It has not been denied or disputed that the post of Chief Engineer (Electrical or Civil), was beyond the purview of the Rules. It is beyond any cavil that there are posts of Chief Engineer in all the four wings of the Central Public Works Department. The Rules provide for posts of Civil Engineers. As by reason of the impugned orders, some sort of amalgamation of different cadres are sought to be made beyond the legal sanction as envisaged under the Rules, in our opinion, the same is impermissible in law. The appellants before the High Court have admitted that the Ministry had no intention to merge the civil and electrical streams which were two distinct services having separate recruitment rules. The said office orders, thus, clearly interfere with the working of the statutory rules inasmuch as by reason thereof, a post would be created which would be designated as a Chief Engineer either Civil or Electrical, which belongs to two different streams.”

In the case of **Virender Singh Hooda and Ors Vs. State of Haryana and Anr.** (2004) 12 SC 588, it was held as under :

“24. The aforesaid circular is general in nature and does not refer to any particular service or service rules. In law if an executive instruction is contrary to statutory rules, the rules will prevail and not the executive instructions. Further reading of the aforesaid

circular shows that it is applicable to pre-existing vacancies.”

20. In view of the above analysis of the statutory provisions and settled legal position, this Court has no hesitation in holding that the Chief Executive Officers of the Jila Panchayat and the Collector of the district acted beyond their jurisdiction and authority under the Law to transfer Assistant Teachers from one Jila Panchayat to another Jila Panchayat. All the transfer orders by which the petitioners, the Assistant Teachers, in the above batch of petitions have been transferred from their respective schools within the jurisdiction one Jila Panchayat to schools in the jurisdiction of another Jila Panchayat are bad in Law and are held illegal.

21. As the impugned orders are held to be illegal due to lack of jurisdiction and competence, I do not consider it necessary to dwell into other grounds raised by respective petitioners to challenge the orders of transfer.

However considering that the petitioners/Assistant Teachers, large in number, have been transferred and posted to various schools which are in the midst of their educational session and if at this stage, the petitioners are required to be relieved from the schools to which they have been transferred under the impugned order, the teaching and the interest of students would be adversely affected, it is directed that the petitioners shall continue till the end of education session 2016-2017 followed by annual examinations. As soon as the annual examinations are over, all the petitioners shall submit their joining back in their respective schools where from they were transferred under the impugned orders and their joining shall be accepted.

22. In WPS No. 1273 of 2016 and in some other cases, it has been brought to notice of this Court that vide letter dated 16.8.2016 of the Chief Executive Officer, Kabeerdham addressed to the Chief Executive Officer, Jila Panchayat, Raigarh, it has been stated that in Kabeerdham district, Assistant Teachers of “Arts” are in excess. During the course of the arguments, it was stated that Jila Panchayat, Kabeerdham is not accepting joining of Assistant Teachers of Arts subject who have been transferred from jurisdiction of Jila Panchayat, Raigarh to the jurisdiction of Jila Panchayat, Kabeerdham. In respect of those petitioners/Assistant Teachers of “Arts” whose joining are not being accepted,

those teachers will have to be permitted to join immediately if not already allowed in their original schools where from they were transferred under the impugned order from Jila Panchayat, Raigarh to Jila Panchayat Kabeerdham.

23. It is further made clear that this order shall not come in the way of the competent authority in effecting rationalization and posting of petitioners/Assistant Teachers, within the same Jila Panchayat in accordance with the rationalization policy and in accordance with the Act of 1993, Rules of 1999 and Rules of 2012. The vacancies of Assistant Teachers which may arise on account of Assistant Teachers joining back to their schools of original posting may be filled-up by the competent authority by way of direct recruitment well in advance so that before start of next educational session, sufficient number of teachers are available to achieve the Pupil-Teacher ratio as provided under the RTE Act and RTE Rules.
24. All the petitions are accordingly allowed in the manner and to the extent indicated above. No orders as to costs.
