IA No.1602/2017

This is an application filed by the petitioner seeking enlargement of time to remove of equipments and movable assets from the Food Plaza, Churchgate Railway Station, Mumbai.

The learned counsel for the applicant submits that the applicant has been unable to remove the equipments as the applicant is required to collect all the assets at one place and remove the same at one go which is difficult. She states that the applicant would do the needful within a period of four days from today, that is, on or before 10.02.2017.

For the reasons stated above, the application is allowed. The applicant will remove all its moveable assets from the Railway station within a further period of four days, that is, on or before 10.02.2017.
