CORAM:
HON'BLE MS. JUSTICE INDERMEET KAUR
O R D E R
% 31.01.2017

Petitioner is only aggrieved to the limited extent which is that when the child is interviewed by the learned Family Judge on that date, the father of the child may not be present; this is largely based on the apprehension of the child that he does not really wish to meet his father. The child is stated to be 10 years of age. This Court has been informed that next date before the learned Family Judge is 15.3.2017 on which date parties i.e. the estranged couple and the child have also been called. On an application being filed by the petitioner/estranged wife before the Family Court on this issue, the Family Court Judge may consider it sympathetically.

With this direction petition disposed of.
