**Order**

**23/03/2018**

**D.B. Civil Misc. Application No.1142/2017:**

For the reasons mentioned in the application delay in filing the review petition is condoned. The application is allowed.

**D.B. Writ Review Petition No. 404 / 2017:**

1. We find no merit in the review petition.
2. Disposing of the appeal we had modified the impugned order passed by the learned Single Judge which directed the review-petitioners to be given permanent employment by directing that her case would be considered by the Screening Committee in terms of sub-rule (4) of Rule 6 of the Rajasthan Class-IV Service (Recruitment and other Service Condition) Rules 1999. Seeking review it is pleaded that after the

order was passed the department informed the review petitioners that her case cannot be sent to the Screening Committee as she was not posted on a regular sanctioned post. This would be no ground to review our order dated July 28, 2017. If the review petitioner is aggrieved by the subsequent communication, she can avail remedy as per law.
