

4     29.03.2019     Heard Sri Sarangi, learned counsel for the petitioner and Sri Tripathy, learned counsel appearing for the opposite party no.2-Private Financer.

It is submitted by Sri Sarangi, learned counsel for the petitioner that in the meantime the petitioner has already cleared the entire outstanding and in such event there is no cause of action surviving involving the writ petition.

Considering the submission of Sri Sarangi, learned counsel, this Court observes that in the event of clearing of entire dues, it will be open to the petitioner to approach the opposite party no.2-Private Financer for redressal of his grievance if any.

The writ petition stands disposed of with the above observation.
