Judgment / Order

31/05/2019

The petitioner by this writ petition assails the order dated 28/06/2004 passed by the Directorate of Local Self Department, Govt. of Rajasthan and the order dated 26/07/2004 passed by the Collector, Dausa in Case No.39/2001 as well as the order dated 03/05/2000 passed by the Nagar Palika Mandal, Dausa.

The writ petition has been preferred now in 2019 after more than 15 years. This Court finds that apart from the fact that the order passed by the Collector in Case No.39/2001 was appealable at that stage and the Director, Local Self Department also passed the order on 28/06/2004, the writ petition suffers from gross latches and the same is accordingly dismissed.
