Judgment

20/12/2019

The petitioner by way of this writ petition challenges the order of transfer from CMHO, Alwar to Dungapur.

Learned counsel submits that thereafter petitioner having been relieved, another order dated 29th September, 2019 was issued, whereby the petitioner was to be posted under the CMHO. Thus it is apparent that earlier order dated 29th September, 2019 has already been modified by the authorities as in the subsequent order dated 29th September, 2019, it is mentioned that petitioner, who is Senior Assistant, is under posting orders. This court is thus

satisfied that order Annexure-3 is a subsequent order. In view thereof, the petitioner's contention that he has been transferred to Dungapur is not made out. If petitioner wants, he may comply with the subsequent order dated 29th September, 2019 posting him against the vacant post under CMHO, Alwar, failing which the respondents shall be free to take appropriate departmental action against the petitioner.

The writ petition is wholly frivolous and is accordingly dismissed.
