**Order**

**31/07/2019**

The State seeks review of the order passed long ago on 12.12.2011. It is argued that in view of the subsequent order whereby the writ petitioner was held guilty and imposed with the penalty of reduction of pay by four stages, the order made in SAW No.6/2008 on 12.12.2011 would come in the way.

This Court is of the opinion that since the order imposing penalty is under challenge before the learned Single Judge, all rights and contentions are available. This includes the contention of the State with respect to its discretion to pass appropriate pay fixation order under Rule 54 of the Rajasthan Service Rules, 1951 and any other provision.

The review petition is accordingly disposed of.
