1. This is a bail application pending since 2016. Called in revise. None appeared to press it. Learned A.G.A. is present for State. In the circumstances, I myself have perused the record.
2. It appears that either trial has concluded or applicant has lost interest for any other reason and that's why none is present to press it. Therefore, by efflux of time, this application has rendered infructuous.
3. Dismissed accordingly.
