And 3 Others

Hon'ble Ashwani Kumar Mishra, J.

Controversy raised in this petition has been considered by this Court in a separate Writ Petition No.6194 of 2020, wherein following orders are passed today itself:-

"Following orders were passed in the matter on 20.2.2020:-

"Grievance of the petitioner institution is that without any justifiable reasons the students of the petitioner college are not being issued degrees. It is submitted that on previous occasions various arbitrary interference made by the authority were challenged and this Court has already found the action of University to be arbitrary. It is stated that only with an intent to get over those difficulties the University has now invented a novel method of harassment not issuing degrees to the students who have passed various courses from the institution concerned.

Learned counsel for the University points out that matter is likely to be placed before the academic counsel on 27.02.2020. Prayer is made to adjourn the matter, accordingly.

Let this matter appear as fresh, once again, on 28.02.2020."

Sri Arun Kumar Tripathi and Sri Chandan Sharma, learned counsels appearing for the respondent University have placed before the Court a letter of the Registrar as per which a decision has already been taken by the academic counsel vide resolution no. 14 of 39 to issue degree certificates to the students up to the academic session 2020-21. The communication of the Registrar, in that regard, is taken on record.

In view of the stand taken by the University, it would be appropriate to dispose of the writ petition with the direction upon the University concerned to issue necessary degree certificates to the students who have already passed their course within a period of four weeks."

Controversy being similar, this writ petition is also disposed of on the same terms.
