2. The respondents have placed on record instructions received from the Department whereby the third respondent has been directed by the government to hold third counselling. This is clearly evident from Item No. 3 of the proceedings of the meeting held on 22.10.2019, relevant portion whereof reads as under:-

*Item No. 3: Regarding providing of management quota*

*The demand regarding providing management quota to the private D.El.Ed. colleges was discussed in length and it was decided that the management quota may be allowed to the extent of 10% but same may be allowed to be filled up amongst the candidates who qualifies the C.E.T. in order to maintain quality."*

3. The decision of the meeting has been duly communicated to the third respondent, vide letter dated 27.12.2019, which reads as under:-

*"6. It is with reference to the proceeding on the subject cited above. In this regard, it is informed that Govt. has now decided to stick to the decision taken in the meeting held on 22.10.2019 under the Chairmanship of Hon'ble Education Minister. You are, therefore, requested to conduct third counselling for the private institution after converting the vacant seats of sub category into the main category (e.g. SC-ex-am to SC) but not from one main category to other main category (e.g. SC to General) and to proceed further to fill up the 10% of the total seats from Management Quota amongst the candidates wh have qualified the CET in order to maintain the quality as per the decision taken in the above said meeting (The copy of the proceedings is enclosed for ready reference please).*

4. In the forwarding letter issued to the learned Advocate General, the State Project Director (ISSE) i.e. respondent No. 4, has clearly stated that as per the NCT norms 80% classes are mandatory and the classes for 1<sup>st</sup> year of the course have commenced w.e.f. January, 2021, therefore, it shall not be possible for new trainees to complete the required number of classes. It has also been stated that the meeting was held under the Chairmanship of the Education Minister on 22.10.219, regarding filling up of the seats in privately managed institutions and accordingly the Secretary Board of School

Education has been requested to implement the decision taken in the meeting vide letter dated 27.12.2019.

5. Now, that the respondents themselves have decided to hold the third round of counselling, therefore, the grievance of the petitioner stands redressed for the time being. However, it is made clear that in case even after third round of counselling certain seats remain unfilled, then, it shall always be open for the institution(s) to approach the authority(ies) concerned for holding the fourth round of counselling and the same shall be held if permissible under the law/rules etc. However, before parting, we expect the respondent No. 3 to hold the third round of counselling as expeditiously as possible.

The petition stands disposed of in the aforesaid terms, so also pending application, if any.
