All that the petitioner seeks for is, an expeditious consideration of the application submitted by him in Form No.6 of the Kerala Conservation of Paddy land and Wetland Rules for change of nature of land. The petitioner asserts that the property in question is not included in the data bank and that the property is lying as a garden land.

2. Without expressing anything on its merits, the writ petition is disposed of directing the first respondent to consider Ext.P3 application filed in Form No.6, on verification of the data bank and the other relevant records and pass appropriate orders within a period of four months from the date of receipt of a copy of this judgment.
