25855, 25887, 26208, 26221 AND 26274 OF 2021**

COMMON ORDER:

Heard Mr. B. Shravanth Sanker, learned counsel representing Mr. P. Shashi Kiran, Mr. Thomas Joseph Lloyd, Mr. Nikhilesh Thogari, Mr. K.W.J. Bose, Mr. Ganapathi Kolli, Mr.P.V.S.K. Chakravarthy, Mr. M. Praveen Kumar, Mr. G.S. Prasen, Mr. V.T. Kalyan, Ms. G. Jyothsna Devi, Mr. Mettu Shankar, Ch. Ravinder, Mr. R. Mangulal, Mr. Lokesh Phanindra Bonthu representing M/s. Mithra Law Firm, Ms. C. Sunitha Kumari, Mr.P. Shravan Kumar Goud, Mr. Swamy Botla, Praveen Bonkuri, Mr. Kandadi Mahender Reddy and Mr. K. Venu Madhav, Mr. K. Mukhendu Kaushik and Mr. Bharath Chandra Madas, learned counsel appearing on behalf of the respective petitioners, and Mr. T. Srikanth Reddy, learned Government Pleader for Home appearing on behalf of the respondents.

2. The challenge, in this entire batch of writ petitions, is to the power of Police Officers to seize the vehicle from its driver/ rider, who is in an intoxicated condition.

3. The learned counsel appearing on behalf of their respective petitioners have made their submissions extensively. The learned Government Pleader for Home has also made submissions referring to various provisions of the Motor Vehicles Act, 1988 (for short 'Act,

1988'), the Indian Penal Code, 1860 (for short 'IPC') and the law laid down by this Court etc.

4. COMMON CONTENTIONS OF THE PETITIONERS:

i) The police have no power to seize the vehicle from its drivers/riders who are in an intoxicated condition. Moreover, the Police Officers are detaining the vehicles for days together and not releasing the same even after producing certificate of registration, identity proof and driving licenses etc. On account of the same, owners of the vehicles are suffering. Thus, the said act on the part of the Police is illegal.

ii) Mr. Sravanth Shankar, learned counsel representing Mr. P. Shashi Kiran, learned counsel for the petitioner in W.P. No.1647 of 2021, filed a compilation consisting of arguments in brief, list of dates, relevant provisions of law and copies of relevant judgments. He has extensively argued referring to various provisions of the M.V. Act.

iii) Referring to Sections 185B, 207 and 19 (f) and 216 of the Central Motor vehicles Rules, Mr. Ch. Ravinder, learned counsel, would submit that the police have no power to detain the vehicles seized from the person who drives it in an intoxication condition. Mr. Prasad Kandadi also supplemented the said submissions.

5. CONTENTIONS ON BEHALF OF RESPONDENTS:

i) Mr. T. Srikanth Reddy, learned Government Pleader for Home would submit that Section - 185 of the Act, 1988 deals with driving of a vehicle by a drunken person or by a person under the influence of drugs,

and according to the said provision, whoever, while driving, or attempting to drive, a motor vehicle, has, in his blood, alcohol exceeding 30 mg. per 100 ml. of blood detected in a test by a breath analyzer, or is under the influence of a drug to such an extent as to be incapable of exercising proper control over the vehicle, shall be punishable for the first offence with an imprisonment for a term which may extend to six months, or with fine which may extend to two thousand rupees, or with both.

ii) According to him, once the Police Officer finds a person driving the vehicle in an intoxication condition and there is no other person to drive the vehicle, police are seizing the vehicle and releasing the same either to the owner of the vehicle or his/her authorized person on producing proper proof of identification and valid driving license. Thus, according to him, Section - 185 of the Act, 1988, is only an enabling provision which the police are invoking.

iii) Referring to Section - 206 (4) of the Motor Vehicles Amendment Act, 2019 (for short 'Amendment Act, 2019'), the learned Government Pleader would submit that Section - 206 deals with the power of police officer to impound the document, and as per sub-Section (4) of Section - 206 of the Amendment Act, 2019, a police officer or other person authorized in this behalf by the State Government shall, if he has reason to believe that the driver of a motor vehicle has committed an offence under any of Sections - 183, 184, 185, 189, 190, 194C, 194D, or 194E, seize the driving license held by such driver and forward it to

the licensing authority for disqualification or revocation proceedings under section 19, provided that the person seizing the license shall give to the person surrendering the license a temporary acknowledgement therefor, but such acknowledgement shall not authorize the holder to drive until the license has been returned to him.

iv) Referring to Section - 207 (1) of the Act, 1988, the learned Government Pleader would contend that the Police Officer has the power to seize and detain the vehicles used without certificate of registration, permit, etc.

v) The learned Government Pleader would also contend that the Police Officer has the power to arrest without warrant. However, he would fairly submit that Police Officers do not have the power to detain or seize a vehicle from a person who drives it in an intoxicated condition. According to him, the provisions under the M.V. Act, 1988 are enabling provisions. The police officers are detaining the vehicles from persons driving them in an intoxicated condition as there is no other person to drive the vehicle with valid license and without being intoxicated.

vi) According to the learned Government Pleader, as per the directions of this Court and the Hon'ble Supreme Court, the police authorities have been taking all necessary steps to decrease the death rates caused on account of accidents while driving the vehicles in an intoxicated condition. The vehicles are being detained in public interest and are being kept in proper places including nearest Traffic Police Stations for safe custody. In view of the same, there is no intention on

the part of the police to harass the petitioners by detaining their vehicles as alleged.

vii) With the said contentions, the learned Government Pleader sought to dismiss the writ petitions by issuing necessary directions keeping in view the safety of citizens.

6. ANALYSIS AND FINDING OF THE COURT:

i) In view of the aforesaid rival submissions, to decide the *lis* in the present batch of writ petitions, it is apt to refer to certain provisions of the Act, 1988, the Telangana Motor Vehicles Rules, 1989 and the Central Motor Vehicles Rules, 1989, which are as under:

MOTOR VEHICLES ACT, 1988

Section - 3. Necessity for driving licence.—

- (3) A police officer or other person seizing a licence under sub-section (2) shall give to the person surrendering the licence a temporary acknowledgment therefor and such acknowledgment shall authorise the holder to drive until the licence has been returned to him or until such date as may be specified by the police officer or other person in the acknowledgment whichever is earlier:

Provided that if any Magistrate, police officer or other person authorised by the State Government in this behalf is, on an application made to him, satisfied that the licence cannot be, or has not been, returned to the holder thereof before the date specified in the acknowledgment for any reason for which the holder is not responsible, the Magistrate, police officer or other person, as the case may be, may extend the period of authorization to drive to such date as may be specified in the acknowledgment.

- (4) A police officer or other person authorised in this behalf by the State Government shall, if he has reason to believe that the driver of a motor vehicle has committed an offence under any of sections 183, 184, 185, 189, 190, 194C, 194D, or 194E, seize the driving licence

held by such driver and forward it to the licensing authority for disqualification or revocation proceedings under section 19.

Provided that the person seizing the licence shall give to the person surrendering the licence a temporary acknowledgement therefor, but such acknowledgement shall not authorise the holder to drive until the licence has been returned to him."

It is relevant to note that this was brought into existence by way of an amendment Act 32 of 2019 w.e.f. 01.09.2019.

"Section 207. Power to detain vehicles used without certificate of registration permit, etc.

(1) Any police officer or other person authorised in this behalf by the State Government may, if he has reason to believe that a motor vehicle has been or is being used in contravention of the provisions of section 3 or section 4 or section 39 or without the permit required by sub-section (1) of section 66 or in contravention of any condition of such permit relating to the route on which or the area in which or the purpose for which the vehicle may be used, seize and detain the vehicle, in the prescribed manner and for this purpose take or cause to be taken any steps he may consider proper for the temporary safe custody of the vehicle:

Provided that where any such officer or person has reason to believe that a motor vehicle has been or is being used in contravention of section 3 or section 4 or without the permit required by sub-section (1) of section 66 he may, instead of seizing the vehicle, seize the certificate of registration of the vehicle and shall issue an acknowledgment in respect thereof.

(2) Where a motor vehicle has been seized and detained under sub-section (1), the owner or person in charge of the motor vehicle may apply to the transport authority or

any officer authorised in this behalf by the State Government together with the relevant documents for the release of the vehicle and such authority or officer may, after verification of such documents, by order release the vehicle subject to such conditions as the authority or officer may deem fit to impose."

THE CENTRAL MOTOR VEHICLES RULES, 1989

"Rule - 21. Powers of licencing authority to disqualify.-

TELANGANA STATE MOTOR VEHICLES RULES, 1989

(v) Mahazor of the vehicles is to be carried out notifying its condition of each tyre fitted and parts which are easily removable, replaceable and tamperable, viz., batteries, fuel-pump, Dynamo, Differential, engine, extra lights etc. and loose parts, Stepney tyres and tools and a copy of it is to be delivered to the person from whom it is seized, duly signed.”

“448-B. Release of seized and detained vehicles :-

(1) An application for release of a vehicle seized and detained under sub-section (1) of Section 207 shall be in the form of a memorandum in duplicate with relevant documents duly enclosing a fee of rupees twenty five.

(2) The Secretary, Regional Transport Authority, of the Region shall be entertain application for release of vehicles seized and detained by his subordinate officers;

Provided that application shall be made to the Deputy Transport Commissioner in the case of check made by the Secretary, Regional Transport Authority in the cadre of Regional Transport Officer and the Transport Commissioner, if the Secretary, Regional Transport Authority is of the Deputy Transport Commissioner or Joint Transport Commissioner.”

ii) In view of the above, as per Section - 185 (b) of the Act, 1988 whoever, while driving, or attempting to drive, a motor vehicle, is under the influence of a drug to such an extent as to be incapable of exercising proper control over the vehicle, is punishable. Therefore, driving a vehicle in an intoxicated condition is an offence. Thus, a person in an intoxicated condition is barred from driving a vehicle.

iii) As per Section - 202 (1) of the Act, 1988, a police officer in uniform may arrest any person without a warrant who in his presence commits an offence punishable under Section - 184 or Section - 185 or Section - 197. As per sub-section (2) of Section 202 a police officer in uniform may arrest any person without warrant who has committed an offence under the Act, 1988 if such person refuses to give his name and address. As per sub-section - 3 of Section 202 of the Act, a police officer arresting the driver of a motor vehicle without a warrant shall if the circumstances so require take or cause to be taken any steps he may consider proper for the temporary disposal of the vehicle. Therefore, if the police officer finds a person driving the vehicle in an intoxicated condition and if he/she considers that such person is not capable of driving the vehicle under such condition, he/she may detain or take steps for the temporary disposal of the vehicle. In other words, the police officer has the power to detain / seize the vehicle and keep the same in safe custody till the owner of the vehicle or his/her authorized person approaches the police officer with a valid driving license, identity proof and certificate of registration.

iv) As per section - 206 (3) of the Act, 1988, a police officer arresting the driver of a motor vehicle without a warrant shall if the circumstances so required take or cause to be taken any steps he may consider appropriate for the temporary disposal of the vehicle. As per Section - 207 (1) of the Act, 1988, any police officer or other person authorised in this behalf by the State Government may, if he has reason to believe that a motor vehicle has been or is being used in contravention of the provisions of Section - 3 or Section - 4 or Section - 39 or without the permit required under sub-section (1) of Section - 66 or in contravention or any condition of such permit relating to the route on which or the area in which or the purpose for which the vehicle may be used, seize and detain the vehicle, in the prescribed manner and for this purpose take or cause to be taken any steps he/she may consider proper for the temporary safe custody of the vehicle.

v) Section - 3 of the Act, 1988, deals with the necessity of holding a driving licence. Section - 4 of the Act, 1988 deals with the age limit in connection with driving of motor vehicles. Section - 39 deals with the necessity for registration of motor vehicles. Section - 66 of the Act, 1988, deals with the necessity for obtaining permits. Therefore, the Police Officer or any other person authorized by the State Government may arrest or detain the vehicle on the ground that driver of the vehicle does not have a driving license, is under age, vehicle is without a certificate of registration and driving was without valid permit. Thus, as per Section - 207 of the Act, 1988, the Police Officer does not have the

power to detain/seize the vehicle on the ground that the driver/rider of the vehicle is found in an intoxicated condition.

vi) Section - 19 of the Act, 1988 deals with the power of licensing authority to disqualify a person from holding a driving licence or revoke such licence, and as per sub-section (1) (f), a driving license can be cancelled or revoked by the authority if a person has committed any such act which is likely to cause nuisance or danger to the public, as may be prescribed by the Central Government, having regard to the objects of this Act. Therefore, as per the said sub-section, there is no power vested in the Police Officer to detain or seize the vehicle on the ground that the driver/rider of the vehicle is found in an intoxicated condition.

vii) Rule - 21 of the Central Motor Vehicles Rules, 1989 deals with powers of licensing authority to disqualify, and as per sub-rule (16), licensing authority has the power to disqualify a person driving vehicle while under the influence of drink or drugs. Therefore, as per the said rule also, the Police Officer or Licensing Authority does not have the power to seize/detain the vehicle on the ground that the person driving the vehicle was in intoxicated condition.

viii) Rule - 448 of the T.S. Motor Vehicles Rules, 1989 deals with the powers to detain vehicles, and as per which, Officer of the Transport Department not below the rank of Assistant Motor Vehicles Inspector and every Police Officer not below the rank of Circle Inspector of Police are authorised to exercise powers under Section - 207. Rule - 448-A of

the said Rules deals with procedure of seizing and detaining a Motor Vehicle. As per sub-rule - (iv) of Rule - 448-A when a motor vehicle is seized and detained by any officer referred to Rule - 448, he/she shall take steps where prosecution of the driver or owner or both is necessary, charge sheets against them shall be filed before the concerned Magistrate within three days from the date of seizure and the motor vehicle shall be released by the Officer who detained it after the prosecution is completed under intimation to Secretaries of Regional Transport Authorities mentioned in Clause - (iii). Rule - 448-B deals with the release of the seized and detained vehicles. Thus, as per Rule - 448A of the Rules, Assistant Motor Vehicles Inspector and every Police Officer not below the rank of Circle Inspector of Police are authorized to exercise powers under Section - 207. As per rule - 448-A(iv), duty cast upon the Officer to file charge sheets within three days from the date of seizure and the motor vehicle shall be released by the Officer who detained it after the prosecution is completed.

ix) The above said provisions would reveal that the Police Officers do not have the power to detain/seize the vehicles on the ground that the person driving the vehicle was found in an intoxicated condition. However, the said provisions are enabling provisions. For instance, a person drives the vehicle alone and Police Officer finds him in an intoxicated condition and that such person is unable to drive the vehicle, then the Police Officer has the power to seize the certificate of registration and can detain/seize the vehicle and keep it in a nearest

police station/appropriate place for safe custody. At the same time, it is the duty of the Police Officer to release the said vehicle either to the owner or to any authorized person who is not in drunken condition and who is in a position to drive the vehicle and holds a valid license. If there are two persons present in the car, the person driving the vehicle found in an intoxicated condition and the other person has a valid driving license and is found not in intoxicated condition and in a position to drive the vehicle, then the police shall not seize/detain the vehicle and permit the other person to drive the vehicle. The intention of the Legislature is to reduce the accidents and deaths that may be caused due to driving of vehicles in intoxicated condition, and it is not the intention to harass the owners of the vehicles by detaining the vehicles for days together. Therefore, the police officers have to strictly follow the said law and the provisions of the Act.

x) The Police Officers do not have the power to detain/seize the vehicles under Sections - 19 (1) (f), 185, 206, 207 of the Act, 1988 and Rule - 21 (16) of the Central Rules. They have to release the vehicle in terms of Rule - 448A of the T.S. Motor Vehicles Rules, 1989.

xi) It is relevant to note that the Apex Court by considering the steep increase in the accidents and deaths due to driving of vehicles by the drivers in intoxication condition has issued several directives in **S. Rajaseekaran v. Union of India**¹.

¹. (2018) 13 SCC 516

xii) A Division Bench of Madras High Court had also an occasion to deal with the seizure of vehicles on drunk and drive in **Manikandan v. P. Palani**² and gave certain directions including a direction that the police shall seize/take custody of the vehicles of drunk drivers as per Section - 202 (3) of Motor Vehicles Act. As stated above, Section - 202 (3) of the Act, 1988 deals with disposal of vehicle by Police Officer arresting a person without warrant the driver of a motor vehicle shall if the circumstances so require. But, as per the said provision, there is no power vested in the Police Officer to detain / seize the vehicle on the ground that the driver of the vehicle is found in intoxicated condition.

xiii) During the course of arguments, it was brought to the notice of this Court that learned Magistrates are not receiving the charge sheets filed within three (03) days from the date of seizure and that they are returning the same on flimsy grounds. It was also brought to the notice of this Court that on the instructions of the DCP (Traffic), Cyberabad, the Police Officers are not releasing the vehicles despite orders of this Court and also despite production of original certificate of registration (RC) and valid license.

xiv) An interesting issue was brought to the notice of this Court during the course of arguments that during review meetings, the Senior Officials of the State are building up pressure on the officials of the Prohibition & Excise Department, Telangana State, to collect more revenue by sale of liquor. At the same time, the Senior Officials of the

² Judgement in C.M.A. No.473 of 2018 decided on 12.03.2020

Police Department, during the review meetings, are building up pressure on their Officials to collect more revenue through 'drunk & drive' by imposing challans. Thus, the State is building up pressure on both the Departments to collect more revenue by way of sale of liquor as well as imposition of challans during 'drunk & drive'. The said approach of the State is not appreciable. In view of the same, it is apt to refer to the observations made by the Hon'ble Supreme Court in paragraph Nos.21, 22 and 23 in **P.N. Kaushal v. Union of India**³, which is as under:

"21. George Bernard Shaw, a provocative teetotalter, used tart words of trite wisdom.

"If a natural choice between drunkenness and sobriety were possible, I would leave the people free to choose. But then I see an enormous capitalistic organisation pushing drink under people's noses of every corner and pocketing the price while leaving me and others to pay the colossal damages, then I am prepared to smash that organisation and make it as easy for a poor man to stay sober, if he wants to as it is for his dog."

Alcohol robs you of that last inch of efficiency that makes the difference between first-rate and second-rate.

I don't drink beer-first, because I don't like it; and second, because my profession is one that obliges me to keep in

critical training, and beer is fatal both to training and to criticism.

only teetotalters can produce the best and sanest of which they are capable.

³. (1978) 3 SCC 558

Drinking is the chloroform that enables the poor to endure the painful operation of living.

It is in the last degree disgraceful that a man cannot provide his own genuine courage and high spirits without drink.

I should be utterly ashamed if my soul had shrivelled up to such an extent that I had to go out and drink a whisky. (Report of the study Team on Prohibition Vo..1 p.346)

22. The constitutional test of reasonableness, built into Art. 19 and of arbitrariness implicit in Art. 14, has a relativist touch. We have to view the impact of alcohol and temperance on a given society; and for us, the degree of constitutional restriction and the strategy of meaningful enforcement will naturally depend on the Third World setting, the ethos of our people, the economic compulsions of today and of human tomorrow. Societal realities shape social justice. While the universal evil in alcohol has been indicated the particularly pernicious consequence of the drink evil in India may be useful to R r remember while scanning the rationale of an Indian temperance measure. Nearly four decades ago, Gandhiji, articulating the inarticulate millions' well-being, wrote:

The most that tea and coffee can do is to cause a little extra expense, but one of the most greatly felt evils of the British Rule is the importation of alcohol.. that enemy of mankind, that curse of civilisation-in some form or an other. The measure of the evil wrought by this borrowed habit will be properly gauged by the reader when he is told that the enemy has spread throughout the length and breadth of India, in spite of the

religious prohibition for even the touch of a bottle containing alcohol pollutes the Mohammedan, according to his religion, and the religion of the Hindu strictly prohibits the use of alcohol in any form whatever, and yet alas ! the Government, it seems, instead of stopping, is aiding and abetting the spread of alcohol. The poor there, as everywhere, are the greatest sufferers. It is they who spend what little they earn in buying alcohol instead of buying good food and other necessities. It is that wretched poor man who has to starve his family, who has to break the sacred trust of looking after his children, if any, in order to drink himself into misery and premature death. Here be it said to the credit of Mr. Caine, the ex-Member for Barrow, that, he undaunted, is still carrying on his admirable crusade against the spread of the evil, but what can the energy of one man, however, powerful, do against the inaction of an apathetic and dormant Government. (The Collected Works of Mahatma Gandhi pp.29-30)"

23. Parenthetically speaking, many of these thoughts may well be regarded by Gandhians as an indictment of governmental policy even to-day."

xv) It is also apt to refer 'sayings' of Famous Men with regard to the prohibition, which is as under:

20. In this country, great value is attached to the sayings of great men. Their sayings can be collected and can form the basis of education. A few illustrations will not be without interest. The educators will be well advised to collect such saying as they are bound to appeal to almost every body.

Dr. Adam Clark

"In the bottle, discontent seeks for comfort; cowardice for courage; bashfulness for confidence; sadness for joy; and all find ruin."

Sir Andrew darr

"As I looked at the hospital wards today and saw that seven out of ten owed their diseases to alcohol, I could but lament that the teaching about this question was not more direct, more decisive, more home-thrusting than ever it had been. Can I say to you any words stronger than these? It is when I myself think of all this that I am disposed to give up everything and to go forth upon a Holy Crusade, preaching to all men."

Thomas Edison

"Thomas Edison, the great inventor had a firm faith in a saloon-less country and an alcohol-free world."

Mahatma Gandhi

"If I ever have an opportunity to rule India, in my first half hour I will close up all the toddy shops without compensation.

And I am much more against cigar and cigarettes than against drink. But do not make the mistake that between drink and tobacco, drink is a lesser evil. No. If cigarette is Beelzebub, then drink is Satan.

I hold drink to be more damnable than thieving and perhaps even prostitution. Is it not often the parent to both I ask you to join the country in sweeping out of existence the drink revenue and abolishing the liquor shops.

Let me, therefore, re-declare my faith in undiluted prohibition before I land myself in deeper water. If I was appointed dictator for one hour for all India, the first thing I would do would be to close without compensation all the liquor shops, destroy all the toddy palms such as I know them in Gujarat, compel factory owners to produce humane conditions for their workmen and open refreshment and recreation rooms where these workmen would get innocent drinks and equally innocent amusements. I would close down the factories if the owners pleaded for want of funds."

Grant

"Give me the sober man, the absolute teetotaler every time. He is dependable. If I had the greatest appointive powers in the country, no man would get even the smallest appointment from me unless he showed proof of his absolute teetotalism. If I could, by offering my body a sacrifice, I'd thank the Almighty for the privilege of doing it."

Abraham Lincoln

"Whereas the use of intoxicating liquor as a beverage is productive of pauperism, degradation and crime, and believing it is our duty to discourage that which produces more evil than good, we, therefore, pledge ourselves to abstain from the use of intoxicating liquor as a beverage.

The use of alcohol beverages has any defenders but no defence. Lincoln in his famous Washington's birthday address said:

"Whether or not the world would be vastly benefited by a total and final banishment from it of all intoxicating drinks seems to me not now an open question. Three-fourths of mankind confess the affirmative with their lips, and I believe all the rest acknowledge it in their hearts".

(Emphasis Supplied)

xvi) In view of the above, it is the fundamental duty of the citizens to take all precautions to avoid road accidents and deaths and also to follow the guidelines issued by the State and the Central Governments from time to time on 'road safety'.

7. CONCLUSION:

i) This Court has previously held that under the M.V. Act, the Police Officers do not have power to take custody of the vehicle driven under intoxicated condition and directed the authorities / officials who have custody of the vehicle in question to release the same on production of certificate of registration relating to the said vehicle and on production of proof of identity and also a valid driving license.

ii) In view of the above said discussion and the relevant provisions and also considering the principle laid down by the Apex Court as well as this Court, this Court is of the considered view that the following directions are required to be issued to the Police Authorities to be followed:

- (a) If the driver / rider of the vehicle is found under the influence of Alcohol, he/she should not be allowed to drive the vehicle. However, if the police finds other person accompanying the driver/rider not in intoxicated condition and having a valid driving license, shall permit such person to drive the vehicle without seizing/ detaining the vehicle, subject to Section - 202 of the M.V. Act, 1988;
- (b) If there is no other person other than the person who drives the vehicle in an intoxicated condition, then the concerned Police Officer or the intoxicated driver shall immediately inform any nearest relative or friend to take back the custody of the vehicle;
- (c) If no one comes to take back the custody of the vehicle, then the concerned Police Official shall temporarily take possession of the vehicle, and keep the vehicle in a nearest police station or any other appropriate authorized place for safe custody. However, it is made clear that the Police do not have power to detain / seize vehicle on the ground that its driver/rider drove it in an intoxicated condition.
- (d) The Police or any other Official who has the custody of such vehicle shall release the same either to the owner or any authorized person on production of certificate of registration (RC) of the said vehicle, proof of identity and a valid driving license;

- (e) If the concerned Police come to a conclusion that prosecution of driver or owner or both is necessary, he shall file charge sheet against him/them before the concerned Magistrate within three (03) days from the date of seizure of vehicle. The vehicle shall be released by the Officer who detained it after prosecution is completed under intimation to the concerned Regional Transport Authorities;
 - (f) Learned Magistrates are directed to receive the charge sheets within three (03) days from the date of seizure in compliance of Rule - 448-A (iv) of the Telangana State Motor Vehicles Rules, 1989 if the charge sheets are otherwise in order.
 - (g) The Police Officers of the State are directed to strictly follow the procedure laid down under Rule - 448-A of the T.S. Motor Vehicles Rules, 1989.
 - (h) If no one claims the custody of vehicle, the police shall take necessary steps in accordance with law;
 - (i) Any breach of the above directives will amount to Contempt and necessary proceedings will be initiated against the concerned Police.
- iii) With the above directions, this batch of Writ Petitions is disposed of.
- iv) However, in the circumstances of the case, there shall be no order as to costs.

As a sequel, the miscellaneous petitions, if any, pending in the writ
petitions shall stand closed.
