DEEPAK SIBAL, J. (Oral)

The matter has been taken up through video conferencing.

Learned Senior counsel appearing for the petitioner submits that in the light of the observations made by the Principal Judge, Family Court, Kuruksehtra (for short – the Trial Court), at this stage, he does not press the petition. However, he prays for issuance of appropriate directions for continued maintenance of good health of the minor children of the parties.

The petitioner being the father of the minor children of the parties is understandably concerned about their health. This Court is too. Therefore, keeping in view the welfare of the minor children of the parties and the apprehensions expressed by the petitioner – father, the present petition is disposed of with a direction to the Trial Court to periodically monitor the status of the health of the minor children of the parties.
