Counsel for the petitioner submits that the petitioner has been falsely implicated in this matter,

Learned Public Prosecutor has opposed the bail application and submitted that the wife of the deceased in her statement recorded during trial as (PW-2) stated that the petitioner after committing murder of her husband came to her house and informed that he has killed her husband and the petitioner was in the habit of taking liquor with her husband. Learned Public Prosecutor further submitted that during investigation, the police has recovered the blood stain stone as well as part of the petitioner.

Heard counsel for the petitioner and perused the record.

Considering the submissions put-forth by counsel for the parties and taking into account the facts and circumstances of the

present case as well as looking to the seriousness of the offences alleged against the petitioner and considering the statement of PW-2, who is wife of the deceased as well as considering the recovery from the petitioner during the investigation and without expressing any opinion on merits of the case, no case is made out to release the petitioner on bail under Section 439 Cr.P.C.

Hence, the present second bail application stands dismissed.
