ORAL ORDER

ADMIT. Learned Additional Public Prosecutor waives service of notice of admission for and on behalf of the respondent – State of Gujarat.

The present appeal has been filed by the appellant through jail to release her on temporary bail for a period of 30 days on the ground of medical treatment of her minor son having aged about 4 years.

I have heard learned Additional Public Prosecutor for the respondent-State as well as considered the averments made in this appeal.

Considering the aforesaid facts and circumstances of the case as well as considering the jail remarks, it appears that the appellant is a lady and is having minor child aged about 4

years who is residing with her and having 80% disability, and therefore, the prayer made by the appellant to release her on bail for the medical treatment of her minor son is required consideration. Thus, I am of the opinion that the appeal requires consideration and the same is partly allowed.

The appellant shall be released on temporary bail for a period of **Two weeks** from the date of her actual release, on executing personal bond of Rs.5,000/- (Rupees Five Thousand only) before the Jail authority and on usual terms and conditions.

During the period of temporary bail, the appellant shall not abuse the liberty granted to her; shall not leave the State of Gujarat and shall maintain law and order. The appellant shall surrender to the Jail Authority after completion of temporary release, without fail. Notice stands discharged.

Registry is directed to send a copy of this order to the concerned Jail Authority through e-mail or fax forthwith.
