**HON'BLE MR. JUSTICE MAHENDAR KUMAR GOYAL**

**Order**

**28/02/2022**

Shri Vivek Tyagi, learned Dy.G.C. appears for all the respondents.

Service is complete.

On the joint request of the learned counsels for the respective parties, the matters were heard finally at this stage on their merit.

This bunch of writ petition has been filed for quashing the condition of leaving additional performance security issued by the respondents.

Learned counsels for the petitioners submit that the controversy involved herein is no more *res integra* and stands resolved by a co-ordinate Bench judgment of this Court dated 28.01.2022 passed in **SBCWP No.9620/2021: M/s Shera Ram Choudhary vs. State of Rajasthan & Ors.** and other connected matters and pray that the instant writ petitions may also be disposed of in similar terms.

Learned counsel for the respondents did not dispute the aforesaid position.

In case of **M/s Shera Ram Choudhary** (supra), this Court has directed as under:

"30. Consequent to the foregoing discussion, these writ petitions are allowed. The letter of the respondents and corresponding condition in the e-bid document requiring the petitioners to furnish

additional performance security are hereby5  
quashed.

31. The respondents are directed to permit the petitioners to perform the contract in accordance with law, without insisting upon additional performance security.

32. Needless to observe that the present adjudication will be confined to the e-bids issued prior to 22.10.2021 and that too for those contractors, who have challenged the respondents' action of soliciting additional performance security. Whosoever has paid/deposited the additional performance security, will not be entitled for refund as a consequence of the order instant."

Taking into consideration the contentions advanced by the learned counsels for the respective parties, these writ petitions are disposed of in terms of directions issued in case of **M/s Shera Ram Choudhary** (supra) which shall apply *mutatis mutandis* to these cases also.
