**ORDER**  
**29.09.2023**

01. By way of this petition, the petitioner seeks a direction to the respondents for restoration of security cover of the petitioner by allotting one more security personnel to him.
02. The contention of the petitioner is that he is a well-known politician of district Poonch and has engaged in political activities of the region. He has contested the elections for Member of Parliament twice and is a protected person with security cover provided by the official respondents for last more than eight years. The respondents have now withdrawn one security person from the security of the petitioner without any information to him. This has affected the security of the petitioner with regard to threat being faced by him, as such, he has approached the respondents for reassigning the security personnel considering the threat perception faced by him.

03. Learned counsel for the petitioner submits that he would feel satisfied if the petition is disposed of by directing the respondents to consider the case of the petitioner for grant of security.
04. In view of the aforesaid, this writ petition is disposed of with a direction to the petitioner to move a representation before the respondents within a period of three weeks' from today for grant of security, and the respondents after considering the threat perception to the petitioner may decide the same within a period of four weeks' thereafter.
- 05. Disposed of.**
