**CORAM : S. M. MODAK, J.**

**DATE : 31<sup>st</sup> MAY, 2023**

**P. C. :-**

1. Heard learned Advocate for the Applicant. Officer is present.
2. There is an FIR registered at Naigaon Police Station on 28<sup>th</sup> March, 2023 under Sections 376, 376(2)(n), 323, 448, 452, 384, 504 read with 34 of Indian Penal Code, 1860 [“IPC”] on the complaint of one Mamata Rajbhar. She is having age of 24 years. There are in all 4 Accused persons. Present Applicant is Accused No.1. Rest are his relatives. They have been granted anticipatory bail by the Court of Additional Sessions Judge – Vasai.

3. The sum and substance of the allegation from the FIR is that the First-Informant is desirous of acting in Bhojpuri films. She met the present Applicant who is director of movies. Under the pretext of giving an opportunity to the First-Informant to act in movies, the Applicant had sexual intercourse with her. There is an allegation that he has snapped her nude photographs. The issue did not rest there. The present Applicant demanded Rs.10,00,000/- from the first informant on account of deleting those nude photographs.

4. Lastly, the Applicant had a intercourse on 7<sup>th</sup> March, 2023 and on 19<sup>th</sup> March, 2023. The Applicant again demanded Rs.10,00,000/- from the First-Informant, otherwise he has threatened her to make those photos viral. On this background, the complaint is lodged.

5. The Applicant is not disputing his relationship with the First-Informant. In fact, he claims that he has also paid various amounts to the First-Informant towards the fees for acting in movies. Those relevant extracts are filed along with compilation filed today. It is taken on record and marked as Annexure-X. There are certain photographs annexed today which consists of both of them being shown along with the others. The contention is that the relationship is consensual.

6. Bail is opposed on the ground that the allegations are serious and the Police wants to recover the mobile handset used by the Applicant for snapping the photographs.

7. They were in touch with each other from 2<sup>nd</sup> December, 2018 upto 19<sup>th</sup> March, 2023. This is mentioned in the FIR. The First-Informant is a major. Even though it may be true that she has alleged about threatening given by the Applicant to make those videos viral, the readiness shown by the Applicant to produce mobile handset can be considered in his favour. In that way, the mobile handset being one of the piece of evidence can be collected with the assistance of the Applicant. Considering the allegation in the FIR, it seems that the relationship is consensual. I do not find that there is any justifiable reason for his custodial interrogation.

8. Hence, following order is passed :-
