Order

28/04/2023

1. By way of filing the instant criminal appeal under Section 14-A of SC/ST (Prevention of Atrocities) Act 1989, challenge has been made to the order dated 18.01.2019 whereby learned trial Court directed to frame the charges against the appellant. The charges were framed in the month of January, 2019.
2. A perusal of the order sheet of the instant appeal revealing that no heed has been paid by the appellant to argue the matter. The matter got adjourned on several occasions.

Yesterday, the matter was listed before this Court but even in two round, none had appeared for the appellant. Today also, none has appeared on behalf of the appellant to argue the matter.

3. I have gone through the order impugned.
4. Though, the copies of the charge-sheet is not attached but the material available on record reflecting that the learned trial Court had considered the legal and factual aspect of the matter to find a *prima facie* case to put the accuse to face the trial and thus, passed a reasoned order which in my considered view is neither illegal nor improper. There is no force in this appeal and as such the same deserves to be dismissed.
5. Accordingly, the instant appeal is dismissed.
6. The stay petition also stands dismissed.
