Heard.

Mr. Krishna Kumar Pandey, learned counsel for the Lucknow Development Authority says that notice before sealing was given to an agent of the petitioner and thereafter the construction work was stopped because the construction was beyond the sanctioned map. He says the application for sanction of map has also been rejected.

After rejection of his map, the petitioner is ready to comply all the directions and remove all the deficiencies pointed out by the Lucknow Development Authority and with this in mind the petitioner will apply for sanction of map afresh which may be considered.

Counsel for the Lucknow Development Authority has no objection to this proposition as we are not interfering with the rejection of map existing as on date.

Let the petitioner apply afresh for sanction of map in accordance with law whereupon it shall be considered and a decision be taken thereon within two months of submission of such application.

With these observations, we ***dispose of*** this petition.
