**ORAL**

1. Heard Mr. P.K.Borah, learned counsel for the petitioner.
2. The subject matter in question for which revision is sought under Article 227, patently is not maintainable, inasmuch as, it pertains to a judgment and decree that was passed on 30-06-2015, and was executed on 25-11-2022. No appeal or revision was ever preferred against the said judgment and decree in question, and by this petition under Article 227, it appears that the petitioner is trying to revive a dead cause.
3. In this view of the matter, there is nothing for consideration.
4. Accordingly, the revision petition is dismissed.
