Affidavit-of-service filed in Court today be kept with the record.

Records of Basirhat Police Station Case No. 1314 of 2019 dated 24.11.2019 reflect that learned Magistrate was fixing dates on close proximity initially of one month. All on a sudden on February 2024, the learned Magistrate adjourned the matter for a period of six months.

Mr. Mondal, learned advocate appearing for the petitioners submits that in case of one of the petitioners, the travel document would expire in the month of April 2024 and in respect of other accused petitioner in the month of June 2024.

The learned Magistrate is directed to either postpone the date prior to 24.04.2024 or in the alternative direct the police authorities to make arrangements for extending the travel documents of the petitioners. No further criminal cases should be registered for the petitioners staying beyond

the period of permission granted and all efforts be taken to extend the time period.

The learned Magistrate would give protection in case he is unable to deliver the judgement or complete the argument by April, 2024.

With the aforesaid observations, the revisional application being CRR 907 of 2024 is disposed of.

Pending connected application, if any, is consequently disposed of.
