the successful contractors for supply of outsourcing as per the tenders issued by the respondents herein. It is the further case of the petitioners that the third respondent issued tender notification No.NIT.No.G6/Outsourcing/2020/2024-25, dated 21.12.2023 calling applications for registered outsourcing agencies to provide the services to different government institutions informing that the applications are made available at the office of the third respondent and application forms are required to be submitted to the office of the third respondent before 5.00 pm on 12.01.2024. The case of the petitioners is that they have obtained the tender applications from the office of the third respondent and after fulfilling all the requirements including furnishing demand draft for Rs.10,00,000/- towards bid security in terms of tender application, the petitioners have submitted tender applications on 12.01.2024 at 5.00 pm. It is also their case that such tender applications submitted by the petitioners were opened for scrutiny on 17.01.2024 but the petitioners have not received any information in response to the tender applications submitted by the petitioners, either rejecting tender application or accepting the same in terms of the tender notification, dated 21.12.2023. The grievance of the petitioners is that they are fully eligible and qualified as they fulfilled all the

conditions of tender notification, dated 21.12.2023, but, however, the respondents, without furnishing any information, has opened the tender applications submitted by the petitioners and no reasons whatsoever have been assigned so far.

3. In the circumstances, this Court, without expressing any opinion on the entitlement of the petitioners for allotment of outsourcing agency as per the tender notification, dated 21.12.2023, deems it appropriate to dispose of these Writ Petitions directing the respondents to examine the tender applications and take a decision on the tender applications submitted by the petitioners by assigning the reasons and communicate the decision to the petitioners within a period of two (2) weeks from the date of receipt of a copy of this order.

4. With the above observations, all the five Writ Petitions are disposed of.

There shall be no order as to costs. Miscellaneous applications, if any, pending shall stand closed.
