Hon'ble Manish Kumar,J.

Heard.

Sri Arun Kumar, Special Secretary in the Mining Department, Government of U.P. is present in person. He says that he will look into the grievance of the petitioner and other similar grievances of other persons and will try to streamline the procedures so that unnecessary hassles are not created in filing or hearing of revisions before him. He says that he has joined recently.

The petitioners' greivance apart from other grievances is that the revision is now posted for 08.01.2025, however, the revisionists-petitioners wants to press their application for interim relief. The Officer says that although he is proceeding on leave today itself and will return on 02.12.2024 and on that very date, he will proceed on training and will return on 27.12.2024 but during the period of training he can hear the revision virtually and pass appropriate orders as per law. We accept this contention of the Officer and direct him to do so, so that interim relief application is considered at the earliest say within fifteen days from today.

Accordingly, the petition is **disposed of**.
