Order

29/08/2025

Learned counsel for the petitioner wants to withdraw this civil writ petition as he has instructions to make a request to the learned Rajasthan Non-Government Educational Institutions Tribunal, Jaipur (for short, "learned Tribunal") for expeditious disposal of his application no.28/2025 in view of the meagre amount being paid by the Management to him towards salary and other allowances.

In view thereof, this writ petition is dismissed as withdrawn.

However, it goes without saying that if any such request is made, the learned Tribunal is expected to consider the same taking into consideration its calendar, the pendency of applications/appeals and their priority.

Pending application(s), if any, also stands disposed of accordingly.
