## **HON'BLE MR. JUSTICE AVNEESH JHINGAN**

### **Order**

**31/07/2025**

1. These petitions are decided by common order as the facts and issues involved are similar. For the sake of convenience, the facts are being taken from S.B. Civil Writ Petition No. 9692/2021.
2. This petition is filed seeking quashing of the letters as Annexure

3. The brief facts are that the petitioners are provided Industrial Training Institute (ITI) and are affiliated to National Council for Vocational Training ('NCVT'). All the institutes were affiliated prior to academic year 2018. The grievance is against the additional norms framed by the State Government requiring to furnish bank guarantee of Rs.50,000/-per unit towards NCVT.

4. Learned counsel for the petitioners submits that issue as to whether these additional norms of furnishing of performance bank guarantee of Rs.50,000/- per unit can be enforced upon the ITI affiliated prior to 2018, has been decided by the Division Bench of this Court in D.B. Spl. Appl. Writ No.221/2025 at Jodhpur Bench in case of Shree Jagdish Bohra Pvt. ITI & Anr. Vs. State of Rajasthan & Ors. and connected matters decided on 06.05.2025.

5. Learned counsel for the respondents are not in position to distinguish the cases from the decisions cited above.

6. The Division Bench in Shree Jagdish Bohra (supra) has set aside the decision of learned Single Judge dismissing the petition and relying upon decision of Guru Kripa Private ITI (cited) held that colleges which were covered during the session 2014-17 could not have been compelled for giving bank guarantee. The relevant part is reproduced hereinbelow:-

*"13. Pertinently, "Deshraj Private ITI" and other Training Institutes which approached the Division Bench of this Court at Jaipur Bench were established or granted recognition from Academic Year-2018. Therefore, whether or not the Training Institutes established or granted affiliation/recognition prior to Academic Year-2018 are liable to furnish security deposit was not an issue in "Deshraj Private ITI" and*

batch cases. This is also a matter of record that the direction no. (i) in "Guru Kripa Private ITI" and connected matters was not challenged by the State Government. Notwithstanding some observations by the writ Court in "Guru Kripa Private ITI" and connected matters, the decision of the writ Court is that "the colleges which were covered during the period for the session 2014-2017 could not have been compelled to give bank guarantee". There is another reason to support the decision in "Guru kripa Private ITI". The duration of different courses of vocational training conducted by the Training Institutes which are affiliated to the National Council for Vocational Training ranges between 1-2 years and the apprentices who were admitted in a 2-year course in Academic Year-2017 would complete the (Downloaded on 31/07/2025 at 02:35:26 PM)

(44 of 46)[SAW-221/2025] course in the year 2019. Whereas, the decision in "Guru Kripa Private ITI" clearly says under the direction no.(iii) that the Training Institutes established or running prior to 2018 are not required to furnish security deposit. In "Kanai Lal Sur v. Paramnidhi Sadhukhan" (1957) SCC OnLine SC 8, the Hon'ble Supreme Court observed that when the material words are capable of two constructions, one of which is likely to defeat or impair the policy of the statute or notification whilst the other construction is likely to assist in achieving that policy, then the Court should prefer to adopt the latter construction. The direction nos.(i) and (iii) in "Guru Kripa Private ITI" are clear and unambiguous. Therefore, having regard to such indisputed facts, we have formed an opinion that the Training Institutes established/recognized prior to the year 2018 are not covered under the impugned communication dated 4th September 2018.

14. Mr. Mansoor Ahmed Siddqui, the learned counsel appearing for the appellant-Training Institutes contends that the decision in "Guru Kripa Private ITI"

*which has attained finality was binding on the writ Court and the direction nos. (i) and (iii) in the said case which relate to the Training Institutes established/recognized prior to Academic Year-2018 should have been followed and applied by the learned Single Judge to give similar benefits to the appellant-Training Institutes."*

6. In view of the decision of the Division Bench in Shree Jagdish (supra), the writ petitions are allowed.
